

Appl. # _____

ROAD CUT APPLICATION
AMERICAN TOWNSHIP
102 Pioneer Road, Elida, Ohio 45807
Phone #419-331-8651 Fax #419-3317047

Date: _____ Fee: \$1,500.00 which includes a \$500.00 bond to be returned upon approval of excavation or a fee of \$1000.00 with a contractors bond.

Name of Contractor: _____

Mailing Address: _____ Phone # _____

Name of road to be cut: _____

Reason for excavation: [] Storm Sewer [] Sanitary [] Water [] Gas [] Electrical [] TV Cable

Work will commence on or about: _____ and will require _____ days

Opening of the pavement will be _____ feet long by _____ feet wide by _____ feet deep.

Pavement will be replaced by: _____ as directed by and to the complete

satisfaction of the American Township Trustees/Road Superintendent.

Note: Permit only good for 45 days and no permit will be extended past 60 days. Road Superintendent requires a 24 hour notice to inspect road cut before pavement is replaced. NO FLEX PIPE.

If this permit is granted, I/we agree to the following conditions:

1. That the restoration of the road frontage shall be equal to its original state.
2. That traffic will be maintained at all times, unless permission is granted by the Township Trustees/Road Superintendent to do otherwise. Contractor will be responsible for notifying news media, schools, and all emergency personnel if closing of the road is deemed necessary.
3. That the necessary lights, signs, barricades, flagmen and watchmen are maintained for the protection of traffic at all times, day and night, during the work provided for under this permit. Permit holder assumes all responsibility to provided said safety devices in excess of those recommended by Road Superintendent when needed.
4. Spoil dirt from the construction site must not be placed in any ditch or roadside swale.
5. If the roadway pavement is damaged either by construction, construction equipment or by excessive weight I/we will make complete restoration as advised by the American Township Trustees and Road Superintendent.
6. That in all construction in American township flex pipe cannot be used in the right-of-way of any street or road.
7. That the \$700.00 bond will not be returned to the applicant until the road cut meets the specifications set forth by the American Township Trustees.
8. I/We agree to backfill the trench within the entire road right-of-way by thoroughly tamping the granular backfill in four inch (4") layers; and to provide adequate drainage to granular material to eliminate impounding of water in said granular material; to place minimum of six inches (6") of 404 asphalt concrete and to maintain the road surface which has been disturbed or to the satisfaction of the American Township Trustees/Road Superintendent.
9. No construction or job site material such as dumpsters, stone, wood, building material etc. may be stored on any township road or right-of-way.
10. If the 45-day period between the date given on the permit and the completion of the work is not met, the applicant will forfeit the \$700.00 bond. In some circumstances a 15-day extension can be given on permits. After the permit expires the application must be re-filed with the American Township Office along with the standard fee.

I/We agree to comply with all the conditions, restrictions and regulations of the American Township Trustees.
